Dear Friends and Family,

As many of you know, I had a heart attack on June 26, 2012. I had surgery on July 2, 2012. I have attached my story for those who have not heard it yet. I came home on August 3, 2012. I have been blessed with remarkable recovery. However, I need some assistance from my friends and family. Many of you live out of town and want to help me.

My wonderful friend and colleague, Kate Grandusky, has established a contribution fund in my name.

Joni's Purple Heart Fund will grant you the opportunity to donate and assist me with medical expenses and other expenditures that will occur during my recovery. On Point Community Credit Union is the bank to send or fax your contributions. If you have any questions, please contact Kate or On Point.

Thank you with all my 'heart' I appreciate your willingness to contribute to **Joni's Purple Heart Fund**.

Making a Difference,
Joni Anderson, Special Education Advocate
